

One-Star / Two-Star / Signature Membership

Utah Watercolor Society (UWS) Signature Membership honors a demonstrated record of acceptance into juried shows and recognition by award. It shall be awarded by merit alone.

One-Star Membership is achieved by being juried into *one* UWS Spring Open show. **Two-Star Membership** is a prerequisite for Signature Membership and requires acceptance into *two* separate UWS Spring Open exhibitions. To achieve **Signature Membership**, the Two-Star member must be accepted into *six* additional, separate qualifying shows, which include the UWS Spring Open Exhibition; the UWS Fall Member Exhibition (beginning with the 2006 fall show) ; and/or the Western Federation of Watercolor Societies (WFWS) Annual Exhibit. In addition, *one* of the eight paintings must have won an award.

Each applicant for Signature Membership must furnish the Two-Star/Signature Membership Committee with dates of shows and award(s) won in order for documentation to be verified.
