

# ENTRADA INSTITUTE | 2024

Make plans to join artists as they paint the stunning landscapes in and around Wayne County. Come watch the artists paint, attend two special presentations, and take a gallery stroll.

The final activity, the watercolor show and auction, will feature a Parisian Studio theme at Etta Place Cidery, located at 700 West Main Street (a driver's license must be presented to enter the establishment). Reserve your \$30 tickets at [entradainstitute.org](http://entradainstitute.org).

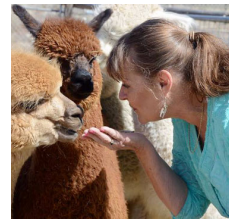

This year's music will be provided by local favorites Leah and Koko of Viola More; fun specialty cocktails, hors d'oeuvres, and an art-plate dessert-bar activity will be created by Etta Place Cidery. Artists will be on hand to design plates with you at the dessert bar and talk about their paintings.

Arts and the Park is presented by the Entrada Institute in partnership with the Utah Watercolor Society, Capitol Reef National Park, and Capitol Reef Natural History Association.
